

Access statement for Twmpath Guest House.

Set in rural countryside with ample level parking.

Outside automatic lighting with wide access to main door over level ground.

We're always happy to help our customers and carry luggage as required.

Beautiful raised garden and fishpond with substantial patio area and lawn easily accessible.

We can collect guests at local ports, bus and train stations. We will also ferry our guests to local pubs at night when required.

Disabled facilities all on level ground floor. Dark carpets and light walls lead from entrance to our disabled annex.

Our large bedroom has two windows one looking onto garden and pond, two single beds, C.H., remote control colour t.v, clock radio, touch lights, over bed tray, large comfy chair, sleeping support cushion, cordless kettle and complimentary tray.

Service dogs always welcome and can be exercised by us if required. Please telephone ahead to make necessary arrangements. Dogs will be charged at a rate of £5 per day.

Large en-suite wet room with power shower, rails to shower and toilet, low-level mirror, bath chair on wheels.

Corridors well lit with subtle security lighting at night.

Public phone in dining room.

All diets and tastes catered for, all home cooked.

Staff trained in disability awareness (W.H.Gold.), having extensive past experience with all forms of disabilities.

We always have time to spend with our guests if required to explain any information they require, or to sort out any problems they have.
